

## Dan Scannell

Job title/Organization, Corporation or Agency Name:

**Chief, Legislative and Regulatory Affairs Unit  
California Dept. of Public Health, Childhood Lead Poisoning Prevention Branch**

Work phone number:

**510-620-5689**

Mailing address:

**California Department of Public Health CLPPB  
850 Marina Bay Parkway P3  
Richmond, CA 94804-5656**

E-mail address: [dan.scannell@cdph.ca.gov](mailto:dan.scannell@cdph.ca.gov)

Title and detailed description of presentation/course/subject matter:

***“Addressing Lead-Based Paint, Mold and other Environmental Hazards via Housing Inspections.”***

***Summary: “Review the applicable laws and regulations related to mold, mildew, lead based-paint hazards, and other environmental housing hazards. Learn what other environmental, housing, and code enforcement agencies are doing to address these substandard housing conditions in at-risk communities, and identify additional resources and funding opportunities to remediate these hazards.”***

Biographical data:

**Dan has trained over 4,000 code enforcement officers, registered environmental health specialists, and building department staff since 2003 to identify lead paint hazards during housing inspections. These trainings include presentations at conferences sponsored by CEHA, CACEO, and CALBO. Dan has a BA in Political Science from UC Berkeley. Dan has provided technical consultation and outreach/education activities for CDPH since 1994.**
