Tax deductible contribution to the CEHA Scholarship Fund (optional):

I have enclosed my check payable to CEHA in the amount of:

BENEFITS OF EDUCATIONAL INSTITUTION MEMBERSHIPS

- * Members will be listed in each issue of the CEHA Bulletin and Annual Educational Symposium (AES) Program Booklet
- * Subscription to the CEHA Bulletin
- * Opportunities for students from members schools to participate in the CEHA academic scholarship programs, seminars, workshops and other educational opportunities and membership meetings on a local and state basis.
- * A forum at the AES for the discussion by members of common areas of interest (e.g curriculum development, student recruitment and retention, especially of underrepresented groups).
- * Free consultative service for member schools on curriculum development and employment opportunities following graduation.
- * A forum at the AES for the presentation of papers by faculty, staff and students from members schools.
- * One (1) complimentary exhibit space at the AES to be shared by all educational institution member schools.
- * Students enrolled FULL TIME at a member institutions shall be entitled to attend CEHA sponsored educational programs at a rate ten dollars (\$10) higher than the CEHA student member rate.
- * Students at those member institutions who are also current, individual dues-paying student members of CEHA will still be entitled to the discounted CEHA student member rates. Neither of these student rates will include meals.
- * Link in the CEHA website.

CEHA is a non-profit organization committed to providing for the professional growth and development of the environmental professional. We are an organization of volunteers dedicated to the environmental health profession, which includes the protection of public health and the environment.
