

2023 AES Preconference Retail Food Plan Review

Overwhelmed with retail food construction plans? Need staff to be well-versed in structural Cal Code requirements? **Register today for our preconference offering!**

The AES Planning Committee has put together an exciting, in-demand, 8-hour retail food plan review course. This course will review topics including:

- Reviewing proposed food facility menus
- Equipment approval
- Energy efficiency including hot water calculations and mechanical exhaust requirements
- Evaluating specialized processes including HACCP plans
- Construction inspection process

Presenters include:

- Frank O'Sullivan
- Derek DeLand from NSF
- Richard Young from Frontier Energy
- Susan Leaverton from California Department of Public Health (CDPH)

This course has been approved for **8 continuing education units (CEUs)** for REHS attendees.

Cost is \$150 which includes lunch. It will be held at the Holiday Inn in downtown Sacramento. Class size is limited to 50 people.
